Celebrating Your Achievements and Reporting on Events

As a school we are very proud of the achievements of all our students, and we want to be able to celebrate these achievements both within the school and with others. We may also want to report on significant events which involve our students, such as visits from dignitaries. This will involve providing information about involvement in certain activities such as sports.

Promoting the School

We want to be able to promote the school to attract new students, and to show the quality of the school. As part of this we want to be able to use photographs and videos of our students in promotional material. This will include our prospectus.

Paying for Meals

Currently students use their ID passes to purchase food and refreshments. However, we hope to reintroduce finger scan recognition (biometrics). The system works by scanning a finger and converting the scan to a series of numbers. The finger scan of the student is stored on a secure database which is then encrypted until the students leave the school.

We will inform you as to when we intend to reintroduce biometrics and will only scan a finger at that point and not before.
